D.O. No. F.1-50/2021(ABC/NAD)

November 21, 2024/ 30 कार्तिक, 1946

महोदया/ महोदय,

The NEP 2020 envisions moving towards a higher educational system consisting of large, multidisciplinary universities and colleges and aims to create imaginative and flexible curricular structures promoting a credit-based system that encourages flexible, integrated, and multidisciplinary education thus, removing currently prevalent rigid boundaries and creating new possibilities for life-long learning offering multiple entry and exit points.

To ensure the realization of the vision of NEP 2020, the role of Academic Institutions is critical by ensuring timely upload of credits to the APAAR credit repository and mapping them with the students' APAAR IDs. This is essential to facilitate the redemption and transfer of credits. Based on the Ministry of Education's D.O. letter No.F.16-5/2020-TEL dated 29.07.2024, HEIs were informed vide UGC D.O. letter No.F.1-50/2021 (ABC/NAD) dated 07.08.2024 that the last date for uploading of credit data on the ABC portal for academic year 2021, 2022 and 2023 is 31st December, 2024; post which the HEIs shall not be allowed to deposit credits on the ABC eco-system.

Now, as per the Ministry of Education's D.O. letter No.F.16-5/2020-TEL-Part (4) dated 07.11.2024, to further streamline the process of data capture for APAAR, it has been decided that for the examinations/assessment conducted in any month of 2024, the credit information shall be uploaded/mapped with student APAAR IDs by June, 2025. The said data will be frozen and no further modifications will be allowed after the above timeline.

In view of the above, all the HEIs (Universities/Autonomous Colleges/Stand-alone Institutions) are instructed to prioritize the data upload to meet the deadlines and complete upload of ABC ID mapped credit data relating to the Academic Year 2021, 2022, 2023, (Cut off date 31st December, 2024) and 2024 (Cut off date June, 2025). Further, all HEIs are required to review the current status and upload credit information, post completion of assessments and declaration of results, immediately & within above timelines.

NOTICE

The Ministry of Education, UGC and other Regulatory Bodies have highly emphasized on the Academic Bank of Credits as a transformative step towards flexibility, mobility, and efficiency in the education sector. National Academic Depository is again a crucial part as it acts a Depository for all the Academic Awards and a major platform for Academic Award Digitization.

Academic Bank of Credits (ABC) is a virtual/digital storehouse that contains the information of the credits earned by individual students throughout their learning journey. It will enable students to open their accounts and give multiple options for entering and leaving colleges or universities.

Every student in India is required to register for APAAR/ABC ID - a unique 12-digit code to digitally store, manage, and access all their academic credits, including degrees, diplomas, certificates, training details, and co-curricular accomplishments.

Subsequently, the University has appoint Mr. Ajit Karki, Assistant Professor, Department of IT as a Nodal Officer who shall facilitate the students in registering and generating ABC ID. All the students need to submit a hard copy the ABC ID Card to Mr. Ajit Karki on or before March 29, 2024.
